Sir:

Enclosed herewith is a copy of the Reissue Application Declaration which was executed and submitted in response to the previous Notice of Missing Parts. Also enclosed is a copy of the stamped post card receipt indicating that this document was filed October 30, 2001.

In a telephone conversation with Roxanne Rawles of the U.S.P.T.O. on December 11, 2001, the undersigned advised that the subject application is a continuation of prior reissue application serial number 09/314,943 filed May 20, 1999. In our telephone conversation, we asked if the applicants could submit a copy of the Consent of Assignee and Statement Under 37 C.F.R. §3.73(b) from the parent application. Ms. Rawles agreed that this should be acceptable.

Accordingly, enclosed is a copy of the Consent of Assignee and Statement Under C.F.R. §3.73(b) which was filed concurrently with application serial number 09/314,943 for the reissuance of U.S. Patent 5,631,612. In view of the above, it is believed that the requirements of the Notice to File Missing Parts of Reissue Application have been fully met. However, if there are any outstanding issues, it is requested that the undersigned be contacted at the telephone number listed below.
